structures that he built. Presence of various media and activities (3D movies and animations, models, touch screens, quizzes, curiosity wardrobe...) makes the tour funnier and more interactive for everybody.

At once place for discovering, learning and also playing, Maison de la Combraille invites you to follow its mascot, Combrailou®.

Inescapable site, Maison de la Combraille (Combraille's House) presents you in an original way Combraille's territory. This region at the confluence of Auvergne, Bourbonnais and Creuse is characterized by rolling plateaus and by plunging gorges. Opened since September 2011, Maison de la Combraille invites you to discover natural and historical resources of the Combraille. Set up in the old tax office and in the 15<sup>th</sup> century donjon, it brings out identity elements, preserves and passes down values and knowledge of the Combraille.

This museum is a territory showcase. The tour begins with relief creation of the Combraille and continues with its construction through natural environment, fauna and flora, Man's appearance, his habitat, his lifestyle and

The invaluable help from associations and local people allowed us to acquire many testimonies and collections loans or donations. This structure is predestined to develop and future exchanges will contribute to success.

Maison de la Combraille is a project carried out by the Federation of Municipalities of Marcillat-en-Combraille, with financial support from the European Union, the State, the Auvergne region, the Regional Council of Allier and the Region of Montluçon and Cher Valley.
